A Word From The Owner:

Everyone interested in beef cattle is cordially invited to attend and inspect our near dispersion sale offering at the farm on Saturday, June 12, 1965.

After a lifetime of ranching in the North Central South Dakota ranch country it was my decision in 1958 to start a purebred Shorthorn herd with only the very tops offered in sales and at private treaty for foundation stock.

To date, no breeding females have been sold from the herd and the productivity has been such that we have become very much overstocked for our capacity and must sell some cattle. Thus, with some age and health problems involved, we have decided to disperse nearly the entire herd.

Only the 1964 yearling heifer crop, a few late calving cows and one herd bull are being retained. Thus, all the best proven producing females sell.

We have a lot of faith in these cattle and have accomplished much we set out to do. However, rather than make a lot of extravagant claims we prefer that you study the catalog and see the cattle sale day. We feel they will much better speak for themselves.

GEORGE RUBLEY, Owner.

From The Sale Manager:

It has been my privilege to be familiar with the Rubley herd from it's very beginning, have watched it grow and improve and know that only tops of correct breeding, conformation and quality, both bulls and females, have ever been brought into the herd. In preparing advertising and the catalog it was George Rubley's request that only correct and factual information be given without extravagant opinions and claims since he wished to have the offering speak for itself.

Therefore, his sincere modesty has been acceded to. However, I do wish to take the liberty to say that this herd was put together by a true cowman. The breeding, uniformity, productivity and over all quality will attest to this. I sincerely believe that everyone attending the sale will be more than surprised to find such a large, real working Shorthorn herd in the prime of their lives and production offered for sale.

REMEMBER the sale date, June 12th, and attend. It can be a profitable day for good cattlemen.

ALBERT J. HAMANN, Sale Manager

LOTHIAN ROYAL EVENT—Sired by a top son of the noted Calrossie Dazzler and out of a very good dam by Uppermill Reserve. Pictured at 9 months of age he shows his size, scale, balance and quality. Now, a ton bull and very sure, he has sired nearly 70 calves each year for the last 2 years. Twenty-eight yearling bulls by him sell. Thirty-nine of the calves selling at foot are by him, and there will be more by sale day. His calves will speak for themselves. All his yearling heifers are being retained so his use will be limited, and he is being offered as a sale attraction.
